

4-H Animal Project _____ Year in Project _____

GOALS

WRITE A GOAL FOR YOUR PROJECT LEARNING THIS YEAR

A goal is a statement about what do you want to learn in this project and how you plan to accomplish it. Good goals have three characteristics. They are challenging (you have to 'stretch' yourself to do it); achievable (it is within your ability); and measurable (you can determine whether or not you met your goal).

AT THE END REFLECT BACK ON YOUR GOAL

Reflecting on your goal at the end of the 4-H year is a way of reviewing your goal to measure if you accomplished what you wanted to and deciding where to go next. Did you accomplish your goal? Why or why not? How did you achieve your goal? What challenged you or kept you meeting your goal? What might you do differently next time? What future goals do you have in this project as a result?
