You have the chance to share in the development of our youth!

The Buffalo County 4-H Trust Fund was established in the fall of 1992 to ensure the future of 4-H in Buffalo County. In 2012, the trust was renamed the Friends of Buffalo County 4-H, Inc. and reestablished as separate not-for-profit foundation.

Our youth are our future. Investing in the future is our commitment to our social and educational standards we value in Buffalo County. The contributions we give today are at work building good citizens and the future leaders of tomorrow. Your financial contribution or memorial gifts guarantee that the Buffalo County 4-H program remain viable and strong!

Each year, the Buffalo County 4-H Trust Fund distributes the interest earned from the fund to the Buffalo County 4-H Leaders' Association to further 4-H learning experiences and youth development programs for Buffalo County youth.

In 2014, the interest from the 4-H Trust Fund supported over 450 youth in the Buffalo County 4-H Program. The funds help financially support:

- Scholarships for graduating seniors
- Multiple 4-H travel experiences to locations like Atlanta, Washington, D.C., and New York City
- 4-H camps & project workshops
- Countywide Service-Learning Project including Little Free Libraries and Buffalo County Barn Quilts
- And, much more!
