Mondovi 2014 Child Care Clinic – June 30 - July 3

11:50 AM – 3:00 PM

Mondovi

In our rural area, it's a reality that many children care for siblings without adult supervision or monitoring. Many services for other families in informal arrangements. The Child Care Clinic training contributes to better quality care for all children and increases child safety. This training will be offered for all students age 11 and older.

themselves and younger youth also provide child care

The clinic will prepare students to care for toddlers, preschoolers and young children; **however we do NOT support youth caring for infants without direct adult supervision.**

The educational topics will include:

- leadership; decision making; and responsibilities of caring for children
- home and community safety, handling emergencies and first aid
- child development, basic child care, positively managing children and difficult behaviors
- games, toys, activities and fun for children
- professionalism and business practices
- money management, saving and financial goal-setting

The clinic will be taught by Mary Wood, UW-Extension Family Living Agent, Buffalo/Pepin Counties and Annie Lisowski, Buffalo County 4-H and Youth Development Agent. It will be held in the High School Family and Consumer Science (Home Economics) class room.

To earn a certificate of successful completion, students are expected to: attend all sessions, read the materials, participate fully in activities and skill practices, complete homework assignments and show satisfactory mastery of skills. Students are expected to demonstrate appropriate and responsible behavior at all times or they will be dismissed from the training.

Materials cost of the clinic is \$10.00, however confidential scholarships are available if needed. Parents are expected to arrange for the student's transportation home from the Child Care Clinic. Students are asked to bring a pen or pencil. Students will need to bring a packed lunch each day and may want to bring an afternoon snack.

Pre-registration due by Monday, June 23. Call 608-685-6252 or email: mary.wood@ces.uwex.edu
