

# METAL STAMPING

## STEM Discovery Toolkit

Develop an appreciation for the cultural history while trying the science of Metal Stamping out yourself. Design your own patterns and projects from different mediums of metals!

### Lessons Included:

- Keychains and Jewelry
- Sonority Washers
- Pet ID tags

### Life Skills Objectives:

Youth will gain critical thinking and problem solving skills by engaging in hands-on experiential learning experiences.

### Learning Science Through Inquiry:

Students will learn about tool safety as they create their metal stamping projects, and develop an appreciation for the art of Metal Stamping.

To request a STEM Discovery Toolkit fill out the [Check Out Request Form](#)

\*\*\*\* There is a rental fee associated with this Toolkit \*\*\*\*
