

## 2025 National 4-H Week Lawn or Window Displays

Buffalo County 4-H clubs are invited to create a public display to celebrate and promote 4-H during National 4-H Week (October 5–11).

### How to participate

1. **Theme:** Choose one of the themes—“**Ready to Lead, Built to Grow,**” “**Bold Steps, Bright Future,**” or “**Where Futures Take Root.**” Include a properly used 4-H clover and either “**Buffalo County 4-H**” or your club name.
2. **Public Visibility:** Displays should be visible to the public throughout **October 5–11** (front yards, club meeting sites, or business locations with permission all work). Please remove displays promptly the following week—failure to do so could result in a DOT citation.
3. **Share the Spirit:** Help spread the word by posting photos on social media using **#BeyondReady** and **#buffalo4h**.
4. **Tell Us Where It Is:** By **October 5, 2025**, email your display location and a photo to **chesang@wisc.edu** and tag **University of Wisconsin–Madison Division of Extension Buffalo County 4-H** on Facebook so we can feature your display on the 4-H website.

### Appreciation Gift

To thank clubs for helping us celebrate 4-H across Buffalo County, **each participating club will receive a \$20 appreciation gift** from the Buffalo County 4-H Leaders' Association.

Let's fill Buffalo County with 4-H pride! 🌟
