

CARL A. DULEY LEGACY SCHOLARSHIP

Sponsored by the Buffalo County Dairy Promotion Committee

PURPOSE

Carl was born and raised on a dairy farm in rural Merrill, WI. He was involved in many activities and had a particular love for agriculture, music (band), and English. He attended UW-River Falls where he received a Bachelor of Science Degree in Farm Management and a master's degree in Agricultural Education. He came to Buffalo County in July 1985 as the UW-Extension Agricultural Agent and spent his entire work career dedicated to that role. His programming was innovative and constantly changing during his career to meet current and future needs of farmers throughout the county, state, and region. He was actively engaged in a number of service roles locally, nationally and internationally. This scholarship has been established to honor and continue Carl's legacy and commitment to the agricultural community.

"The two most important dates of your life are the day you are born and the day you find out why." Mark Twain
